

## **CORRIGENDUM**

The article by Li et al<sup>1</sup> was published with the following incorrect values:

In the abstract, result section, numbers 0.51 and 0.34 should be 0.5 and 0.3 respectively.

On page 742, second line under the heading ITI strategy and management, pdF $\gamma$ VIII/VWF should be pdFVIII/VWF.

The authors apologize for the error.
